

**Constitution Article 5**

Change to require a mail in vote on new contracts.

Existing Article 5:

All agreements negotiated with management affecting members of the PAACE shall be approved by a majority of the general membership present at a meeting having a quorum. All members of the PAACE shall be bound by the provision of such agreements. Negotiation with management shall be conducted in such a manner as to achieve the aims and objectives of the PAACE. Agreements with other organizations of similar purpose shall be approved by a majority of the general membership present at a meeting having a quo-rum.

Proposed Article 5:

Negotiated Collective Bargaining Agreements (CBAs) shall be voted on by the affected members of PAACE and be approved by a majority of the valid returned mail-in ballots. All members of the PAACE shall be bound by the provisions of such agreements. Negotiation with management shall be conducted in such a manner as to achieve the aims and objectives of the PAACE. Agreements with other organizations of similar purpose shall be approved by a majority of the general membership present at a meeting having a quo-rum.
