Subject: Request for Extension for Waiver of Bi-weekly Pay Limitation for
Participation in CARS Support Project

A number of FAA employees at the Mike Monroney Aeronautical Center will be continuing to assist the Department of Transportation, National Highway Transportation Administration in processing applications associated with the CARS program.

This is to advise you that your request for an extension of the August 14, 2009 waiver of the bi-weekly aggregate pay limit for employees who are participating in the CARS Support Project is approved.

This extension is approved for the period August 30, 2009 through October 10, 2009.

If you have any questions, please contact Lynda Clare, Acting Director, Policy Management, on (202) 267-8011.
